DOB – 26/10/2003

shahinali.mec@gmail.com
+91 8547270067

SKILLS & INTERESTS

- Technical Skills:** Python, C, Java, React, Next.js, JavaScript, HTML, CSS, Rest API, FastAPI, Git, GitHub, PostgreSQL, MySQL, Data Structures and Algorithms, Object-Oriented Programming, Pinecone, Postman
- Soft Skills:** Business Communication, Leadership, Time Management, Analytical Thinking, Team Coordination, Attention to Detail
- Interests:** Web Development, Artificial Intelligence, Machine Learning

EDUCATION

- Govt. Model Engineering College** **9.2 | 2027**
KTU, B.Tech in Computer Science Engineering
- I U Higher Secondary School** **99% | 2022**
State, 12th
- SACRED HEART SENIOR SECONDARY SCHOOL** **92.6% | 2020**
CBSE, 10th

WORK EXPERIENCE

- Group Games** **Ongoing**
Game Developer Intern
Technologies Used: Flutter, Dart, C++, SQLite, Minimax algorithm with Alpha – Beta Pruning
Developed a hybrid DDS and Minimax (Alpha-Beta Pruning) solver to generate mathematically optimal solutions for a trick-taking puzzle game. Built core gameplay systems and 300+ puzzles across 6 difficulty levels using Flutter, Dart, C++, and SQLite. Optimized solver performance and game logic to deliver fast, accurate gameplay experiences.

PROJECTS

- SeekRight** **Team Size: 3**
AI Backend & Full Stack Developer **2 Months**
Technologies Used: FastAPI, Python, React, Whisper, FAISS, SentenceTransformers, SQLite, SQLAlchemy, yt-dlp, FFmpeg, Chrome Extension API
Built a transcript-grounded semantic retrieval system that processes lecture videos into structured embeddings, enabling fast vector-based search and hallucination-free question answering through a multi-stage ingestion and retrieval pipeline.
- TenderLens** **Team Size: 1**
Full Stack Developer **2 Months**
Technologies Used: FastAPI, Python, Next.js, TypeScript, Hugging Face Inference API, pdfplumber, ReportLab, Tailwind CSS
Built AI-powered RFP compliance automation platform using Next.js, FastAPI, and Tailwind CSS and semantic embeddings to analyse vendor responses. Flags compliance gaps and generates instant scoring reports. Used by 20+ teams, reducing analysis time from 20 hours to 5 minutes per tender.
- CineRAG** **Team Size: 1**
Full Stack Developer **1 Month**
Technologies Used: Next.js, React, FastAPI, Python, Pinecone, Supabase
This is an AI-powered Retrieval-Augmented Generation (RAG) platform tailored specifically for Bollywood film crews. It allows users to upload screenplays and query them in both Malayalam and English, delivering real-time streaming answers complete with precise scene and character citations.
- Sahay Kerala** **Team Size: 1**
Full Stack Developer **1 Month**
Technologies Used: FastAPI, Python, Next.js, TypeScript, SQLAlchemy, PostgreSQL, JWT, SMTP
Developed a disaster response platform with responsive web interfaces, role-based authentication, PostgreSQL integration, and scalable FastAPI services for efficient real time request processing and management

COURSES AND CERTIFICATIONS

- Pursuing Honours **Degree** in **Computer Science and Engineering** from **KTU**.
- Completed certification of **Cloud Computing** provided by **NPTEL** offered by **IIT Kharagpur**.
- Completed **Python** Certification from **Kaggle** covering core programming concepts and hands-on problem solving.

KEY POSITIONS

- Played a leadership role at **IEDC MEC 2025** as **Chief Publicity Officer**, managing publicity for start-up events.
- Playing a leadership role as **Ambience Manager** at **Excel MEC 2026**, the annual techno-cultural festival of Model Engineering College, managing festival ambience and event atmosphere.
- Playing a leadership role as **Men's Hostel Secretary**, representing all residents and driving student welfare initiatives

ACHIEVEMENTS AND ACTIVITIES.

- Participated in **IEEE MAGIC 3.0 Hackathon**, developed a library management system within 24 hours in a team of 4, ranked Top 10
- Active member of Design & Management Team, **Excel MEC**, contributing to event organization and operations.
- Member of Design Team, **IEDC MEC**, designed promotional posters and visual assets for technical events.
- Completed 3-day **NLP Workshop** conducted by **ICFOSS**.
- Participated in **Drone Workshop** Conducted by **Excel MEC 2025** at Government Model Engineering College.

- Attended **Agent Development Kit** Hands-on Workshop conducted by **Excel MEC 2025**.
- **Hobbies:** Reading, Sketching, Drawing
